

A woman with blonde hair, wearing a light blue jumpsuit, is smiling and holding a baby in a floral dress. A young girl in a white long-sleeved shirt and shorts is standing next to her, holding her hand. They are in front of a grey door with horizontal panels. The woman is lifting her right leg, and the girl is mimicking her. The scene is outdoors, with a small garden bed visible in the bottom left corner.

stories

A photograph of a room corner. On the left, a wall is covered in a dense, light-colored patterned wallpaper featuring various small illustrations of animals and plants. A large, rectangular mirror with a thin wooden frame is mounted on the wall, reflecting a bright window with horizontal blinds. In the foreground, a wicker basket is partially visible on the right. Sunlight streams in from the window, creating strong, parallel shadows on the floor and the wall below the mirror.

Together is better

Learn by doing

Children are more likely to engage when you do tasks together. Instead of staying on the sidelines, show them how it's done while enjoying meaningful time together. As a parent, it's a great way to help your child build healthy, lifelong habits.

A photograph of several lemons on a wooden surface. The lemons are bright yellow and are scattered across the frame. Long, dark shadows are cast across the wooden planks, suggesting a low sun position. The text "Follow us" is written in a white, cursive font in the center of the image. Below the text are two circular icons: one with a camera symbol (Instagram) and one with the letter 'f' (Facebook).
