THE COUNTRYSIDE IS CALLING
SPRING/SUMMER '26

Campaign story

The Koko Noko adventurers are ready for a new adventure. With happy excitement, they step into the sunny countryside, a place full of fresh air, green fields, and fun surprises everywhere.

Their journey begins in a colorful garden. Butterflies fly between the flowers, and bees buzz softly. The smell of grass and strawberries fills the air. On the grass, a picnic blanket is waiting, full of yummy snacks.

After a short rest, they walk along a quiet river. In a canoe, they float over the water. Frogs croak nearby and dragonflies zoom above. The sun shines on the river and everything feels peaceful and free.

Suddenly, they hear animal sounds. On a farm, they meet a wagging dog, clucking chickens, and happy oinking pigs. A gentle pony trots over to say hello. The adventurers pet the animals and discover what life on the farm is all about.

As the sun goes down, they walk back through the waving wheat fields. Their shoes are muddy and their hearts are full of stories, ready for more summer adventures in nature.

Be adventurous
